

Management & Cost Accounting: Student Manual (Paperback)

By Colin Drury

Cengage Learning EMEA, United Kingdom, 2018. Paperback. Condition: New. 10th edition. Language: English. Brand new Book. For over thirty years, Colin Drury has been at the forefront of helping students learn the key concepts and processes in management and cost accounting through his textbooks. Now in its tenth edition, Management and Cost Accounting has been the leading textbook in the field for three decades, and continues to blend theory and practice in language that is clear and accessible. As well as covering everything students need to know for management accounting and cost accounting modules on undergraduate courses, or postgraduate students studying these topics for the first time, this book will also help prepare those taking the professional accounting bodies' management and cost accounting examinations. The new edition has been completely updated to reflect recent developments in the field, and now includes additional emphasis on value creation, and links strategic performance management more closely to divisional financial performance measurement. An entirely new chapter has also been added looking at the challenges management accountants will face in the future.
